Customer Reviews

Bought it as a textbook for class, and it became an interesting book to read in general. It's a collection of essays from the big names of sociology. It is a great book for anyone looking into taking social theory courses. Criminal justice majors have a quite a bit of these courses to go through.

Bought it as a textbook for class, and it's really quite awesome. It's a collection of essays from the greats of sociology, really brings about a new understanding of the world.

Just what I needed

A lot of information but valuable!

I bought this book. It shipped on time, and it was brand new. I would recommend this book
