Wills Eye Institute 5-Minute Ophthalmology Consult (The 5-Minute Consult Series)

Synopsis

The Wills Eye Institute 5-Minute Ophthalmology Consult provides a readily accessible and focused compendium of ophthalmic abnormalities that will be useful for students, physicians and ancillary medical staff. Evidence-based references are included and algorithmic flow diagrams are provided for rapid problem solving. In keeping with the very successful 5-Minute Clinical Consult brand, over 330 topics will be covered, each in a highly formatted 2-page spread.

Customer Reviews

Well laid out for those who like the 5-minute consult layouts. Every pathology is laid out in 2 page sections which includes your high yield epidemiology, presenting characteristics, etc. Should come in handy for easy reference and treatment in clinic to supplement my Wills.

Excellent organization and most helpful reference. It is full of the latest information and also has a resource for online viewing.

A straight to the point information. A good companion with the Wills Eye Manual.
