TILTING THE CONTINENT: SOUTHEAST ASIAN AMERICAN WRITING

Synopsis

Cultural Writing. Asian American Studies. *TILTING THE CONTINENT* is the first collection to bring to the American literary awareness the poetry, short stories, and personal essays of established, as well as new authors of Southeast Asian descent -- not only recent arrivals, but also second, third, and fourth-generation authors. This anthology reminds us of a Southeast Asian past and present composed of polyethnic, multilingual, and rapidly modernizing societies. But it is also an inherently American phenomenon. Shirley Lim and Cheng Lok Chua present brave and exciting writers whose imaginations have traversed vast distances, both literally and figuratively, and whose moving accounts assure them a lasting place in the American literary landscape -- Ruth Y. Hsu.

Amazing anthology. You must read it. And be sure to check out "Father's Duties." One of the best short stories I've read in a while. Heart-breaking, but powerful.

OMG!! What can I say but that this book is awesome. The best poems and experiences are shared. I know some of the authors too. A must have for an Asian American.

Good and well priced book
