Wong's Essentials Of Pediatric Nursing

Synopsis

When it comes to caring for children, no other resource better prepares you for practice than Wong's Essentials of Pediatric Nursing. Authored by Marilyn Hockenberry and David Wilson, two of the most well-known and respected names in the field, Wong's features the most readable, up-to-date, and accurate content available. An abundance of full-color illustrations helps you visualize key concepts, and highlighted boxes and tables offer quick access to vital facts and information. Plus, when you buy this book, you get unlimited access to hands-on study tools that help you learn pediatric nursing essentials with ease! Developmental approach clearly identifies key issues at each stage of a child's growth to help you provide appropriate, individualized care for each child. UNIQUE! Family focus includes a separate chapter on the role of the family in child health, family content throughout the text, and Family-Centered Care boxes that highlight information on patient teaching, home care, and incorporating the family in the child's care. An emphasis on wellness offers health promotion and injury prevention strategies for each age group.
