# Orthopaedic Rehabilitation Of The Athlete: Getting Back In The Game, 1e

## Synopsis

Prevent athletic injuries and promote optimal recovery with the evidence-based guidelines and protocols inside *Orthopaedic Rehabilitation of the Athlete*! Practical, expert guidance; a templated, user-friendly format; and online videos of key rehabilitation exercises make this rehab reference ideal for any practitioner working with athletes! "The book makes a useful contribution and may also be useful to novice learners". Reviewed by: Kevin Brownhill, The British School of Osteopathy and osteopath in private practice Date: July 2015 Apply targeted, evidence-based strategies for all internationally popular athletic activities, including those enjoyed by older adults. Ensure optimal care from injury prevention through follow up 2 years post injury. Make safe recommendations for non-chemical performance enhancement. Access the complete contents online at [www.expertconsult.com](http://www.expertconsult.com), along with downloadable patient handouts, rehabilitation videos, and more.

## Book Information

## Customer Reviews

Great book for those looking to read about injuries in different parts of the body. Very clinical, yet easy to understand.

Comprehensive
